*Notes of Advisory Committee*

***2013 Amendment***

This amendment requires that amendments to bankruptcy schedules indicate the information that has been added and/or deleted.

This amendment is effective July 1, 2013.

***2004 Amendment***

This amendment to the Local Rule above, as with similar amendments removes the requirement to submit additional paper copies of documents because those parties requiring copies will have access to these documents under CM/ECF. It also adds instructions for filing an amendment to the debtor's Statement of Social Security Number. Further, it clarifies when a filing fee is due with an amendment.

***1997 Amendment***

This amendment conforms the existing Local Rules to the uniform numbering system prescribed by the Judicial Conference of the United States and to the model system suggested and approved by the Advisory Committee on Bankruptcy Rules of the Judicial Conference's Committee on Rules of Practice and Procedure. In renumbering the Local Rules to conform to the uniform numbering system, no change in substance is intended. This amendment was effective on April 15, 1997.

This rule was formerly Local Rule 2.06. The Advisory Committee Notes to the superseded rules may be helpful in interpreting and applying the current rules.

***1995 Amendment***

This rule is amended to substitute the term "proof of service" for "certificate of service" as required by amended Rule 2.19(a). The other amendment to Local Rule 2.06(d) is stylistic. No substantive change is intended.

These amendments were effective on February 15, 1995.
